SUMMARY

B.Tech Computer Science and Engineering specializing in Cyber Security passionate about cybersecurity, network defense, ethical hacking, penetration testing, and threat detection. Passionate about building technical skills through projects, certifications, and hands-on labs. Eager to contribute to real-world security challenges while continuously expanding technical expertise.

PROJECTS

Agentic AI for Smart Traffic Management | React, Node.js, MongoDB, Docker, Jenkins

- Built an **Agentic AI-based traffic management platform** for real-time monitoring and signal optimization.
- Designed a **multi-agent AI pipeline** to predict congestion and optimize traffic signal timings for improved traffic flow.
- Implemented **JWT authentication, OAuth 2.0, Docker, and Jenkins CI/CD** for secure and scalable deployment. **scalable, secure, and resilient infrastructure.**

FORENSIC-AI: Intelligent Deepfake Video Detection for Digital Evidence |

- Developed an **AI-powered Deepfake Detection System** for identifying manipulated videos and supporting **Digital Forensics** investigations.
- Designed a multi-branch **Deep Learning Architecture** integrating **Vision Transformers, Frequency Analysis, and Temporal Attention** for advanced **Deepfake Detection**.
- Achieved **97.31% AUC** on unseen datasets, demonstrating strong **Model Generalization, Detection Accuracy**, and real-world performance.

EDUCATION

NIIT University B.Tech in Computer Science and Engineering Specialization: Cyber Security (CGPA: 6.67/10)	Neemrana, Rajasthan 2023 - 2027
Sri Nalanda College Class XII 80%	Bhadradri Kothagudem, Telangana 2023
Sri Chaitanya School Class X	2021

TECHNICAL SKILLS

Programming Languages: Python, Java
Web Technologies: HTML, CSS, JavaScript
Operating Systems: Linux, Windows
Cybersecurity Tools: Wireshark, Nmap, Kali Linux
Developer Tools: Git, GitHub, Docker, Jenkins, Visual Studio Code
Design Tools: Figma, Canva

CERTIFICATIONS

Tata Cybersecurity Analyst Job Simulation - Forage — [View Credential](#)
Networking Basics - Cisco Networking Academy — [View Credential](#)

LEADERSHIP & CO-CURRICULAR ACTIVITIES

House Captain NIIT University	Dec 2025 - Present
- Led the Orange House team in university events, sports, and cultural activities. - Coordinated team members and ensured successful event execution.	

Operations Lead | siNUsoid | NIIT University

Jul 2024 - Dec 2024

- Managed event operations and coordinated volunteers.
- Assisted in planning and executing technical fest activities.

Volunteer | TEDxNIITUniversity

Jan 2024 - May 2024

- Assisted in guest coordination and event management.
- Supported smooth execution of TEDx events.

Volunteer | ingeNUity Fest | NIIT University

Jan 2024 - May 2024

- Assisted in organizing cultural events and activities.
- Collaborated with the team during event execution.

Operations & Capture Volunteer | siNUsoid

Jul 2023 - Dec 2023

- Contributed to event planning, coordination, and on-ground operations for student-led initiatives.
- Managed visual content capture and documentation to support event promotion and engagement.
